Compact 8.4" LCD Monitor™

Color TFT Security Viewer

Perfect viewing solution for your DVR, Quad Processor or DVD Player

The Swann 8.4" Compact LCD Security Monitor is the ideal package for total viewing flexibility. The LCD monitor (with 8.4" diagonal screen) allows you to connect to a DVD, DVR or VCR to keep an eye on your premises or monitor suspicious behavior, all in the comfort of your home or office. Ideal for people constantly on the move, the LCD monitor includes a remote control and cables, with a built-in speaker and earphone jack for ease of use.
